

SHHS School Improvement Process Goals and Project SY 2020-21

Worcester County Public Schools is committed to ensuring that every student graduates with the skills necessary to successfully enter higher education or the global workforce. Forward View 2022 is Worcester County Public Schools' strategic plan to enable students to realize their own personal successes.

SHHS has six Projects which align with the four Forward View 2022 Goals.

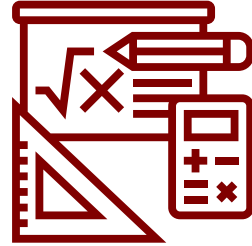

Goal 1: Academic Achievement

English and Math

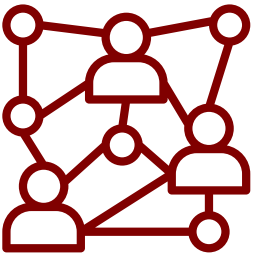

Increase English AP & DE enrollment, which will also increase CCR status.

Increase Math AP & DE enrollment, which will also increase CCR status.

Goal 2: Collaboration & Communication

Communication Satisfaction

Increase satisfaction rating as measured by a survey to all stakeholders

Mission Statement

The mission of Snow Hill High School, a small dynamic learning community, is to nurture and enhance the academic, social, physical and emotional potential in each of our students by providing multiple pathways for student success using standards-based curricula. Through innovative teaching and learning, as well as partnerships in our community, we empower all students to contribute positively to society.

Goal 3: School Safety

Attendance and Discipline

Increase daily attendance rates

Decrease OSS with specific strategies to address disproportionality

Goal 4: Organizational Effectiveness

Staff Wellness

Increase satisfaction of wellness activities as measured by a survey to all staff members. Efforts this year will focus heavily on mental health and stress management

The SHHS Faculty, divided into Project Teams, has created detailed Action Plans to for each project to meet our goals. For more information about the School Improvement Process at SHHS, please contact Mrs. Amy Field.
