SUMMER ACADEMY

JULY 23-26TH

FRESHMAN DIGITAL ACADEMY

Summer Academy at Snow Hill HS

We want students to continue learning this summer by participating in this year's Summer Academy at Snow Hill High School. The Academy will have a variety of components including *Design Engineering Camp*. More information on the camp can be found by visiting www.worcesterk12.org. Both Math and English support and enrichment will be a part of academy. The content will relate to the topics focused on in the *Design Engineering Camp*. Support for review credits and bridge projects will also be available for students. Academy runs Monday – Thursdays 8-12.
